Changes in Staff Support

Dear friends,

I am writing to advise you of a number of changes in the support offered from the European Regional Office.

Departures

Nicolò Pranzini

After five years in the Regional Office in Brussels and 18 months working from home supporting the Safe From Harm project, we bade farewell to Nicolò Pranzini. Nicolò was our Fundraising appointment and I am grateful for the firm foundation his work provided in supporting this important area for the office and in support of our members. We wish Nicolò well as he explores career options. He is also the Italian Contingent Leader for the 23rd World Scout Jamboree in Japan.

Eva M. Haunerová

Eva spent six months with us as an intern under the Youth Worker Exchange programme (EU supported) working to support the External Relations and Funding objectives of the Brussels Office. Eva contributed well and made many friends and we wish her well as she returns to the Czech Republic to continue her voluntary work in Junák and with other NGOs.

Changes

With the implementation of the new Regional Scout Plan it was clear that some of our structural appointments would need to be changed to better support the implementation of the Plan.

Rose-Marie Henny

Formerly Director of Organisational Development, Rose-Marie will become Director of Diversity & Inclusion. She will continue to support the Messengers of Peace support grants programme particularly in reporting mechanisms and in project drafting and construction and monitoring. Rose-Marie is the primary support of the Diversity & Inclusion Priority Project Group

Jordan Bajraktarov

Formerly Project Manager (Global Support) and Field Officer (South East Europe), Jordan will take up the position of Director of Organisational Development, supporting the work of the Organisational Development Core Group and keeping a watchful eye on the Global Support Assessments and continuing support to South East Europe.

Advance notice

Mihajlo Atanackovic

Mihajlo joined us 8.5 years ago filled with enthusiasm and he has continued in that vein ever since, bringing his humour and sometimes his confusion to the benefit of the Region. Recently working from home he has contributed internally to some of the developments of the scout.org bringing his experience to bear when the structure was initially under consideration. He continued to develop europak-online.net and euroscoutinfo.com as well as the digital engagement of the Region. On 1 December he will move to take up the position of Web Manager at the World Scout Bureau, Kuala Lumpur Office. We congratulate him on this appointment and look forward to our continued interaction.

I am certain that you join me in expressing our thanks to those who have departed, to those who will remain in different positions and to the one who will depart soon.

Yours sincerely,

David McKee
Regional Director
